## BIG FIRE IN SARATOGA

Several Lives Lost and Property Worth \$300,000 Destroyed.

## HEROISM OF THE FIRE CHIEF

Received Terrible Injuries While Rescuing a Woman From the Arcade Building—Flames Spread With Surprising Rapidity.

Saratoga, June 10.—A fire here has caused a property loss of \$300,000 and several fatalities. One person, Mrs. Elizabeth M. Mabie, is dead and five others are missing and are believed to have perished. When the ruins have cooled sufficiently, search will be made for their remains. Three people were seriously injured—a Mrs. Hart, a servant girl and Fire Chief E. J. Shadwick. The fire was first noticed in the Arcade building, and although there was little wind, the flames were soon bursting through the roof and had spread to the Shackelford block.

Despite every effort of the whole fire department of the town, this block was in possession of the flames in a short while, and the fire then spread to the Saratoga theater in the Citizens' bank building.

Meanwhile there were many narrow escapes. The inmates of the burning building rushed out, clad only in their nightclothes, and had no chance to return for any of their belongings. Fire Chief Shadwick received his injuries while making a gallant rescue.

## The Chief's Heroism.

Mrs. Hart had been caught by the flames on the third floor of the Arcade building and was at the window shrieking for help when a ladder was raised, and the chief mounted it. The flames were all about him, but he kept on his way and reached the woman.

Her clothing was on fire, and the chief beat out the flames before starting to carry her down. His own clothes then caught, and he was terribly burned about the face and head. He fell unconscious when he reached the ground and was hurried to the hospital, where it was said that there is no hope for his recovery.

Mrs. Hart was also unconscious. At the hospital it was said that she, too, would die.

The contents of the safes and the safe deposit vaults in the bank building were unharmed, and the bank will be able to do business as usual.

The fact that there was no wind probably saved the town. The fire was near the largest hotels, and for a time it looked as if at least one of them would go. The firemen worked heroically, however, and were completely exhausted when the fire was under control.

## Preparing to Search Ruins.

Fifteen streams of water were kept playing on the ruins that they might be cooled off and a search for bodies begun.

The tenants of the Arcade building include postoffice, Daily Saratogian office, Western Union Telegraph company, Saratoga and Boston Telegraph company, George W. Bloom, barber; Edward J. Vose, tailor; Lester Bros., real estate; R. F. Knapp, real estate; A. G. Warner, real estate; Amos C. Rich, dentist; G. H. Ostrander, real estate; New York Vinal company, Mrs. Alice S. Myers, National Association of Letter Carriers, S. H. Myers & Co., real estate; Walton B. Guy, optician; R. Farrington, billiards; Fred C. Mallory, J. D. Hayes, broker; Municipal Telegraph and Stock company, Margaret F. Satterlee, dressmaker; Bernard Brunner, bookstore, and Cassius B. Thomas, coal dealer.

Tenants in the Shackelford building were County Judge Rockwood, Hotelman's hall, Frank C. Maynard, jeweler; E. E. Durkee, coal office, and John Coleman, cigar dealer.

Those burned out in the Citizens' National bank building include Theater Saratoga, Prudential Insurance company, George H. Reeves & Co., painters; Saratoga county treasurer's office, H. Minjay, printer, and W. H. Derbusch, saloon.

# Kodol

Digests what you Eat

## Dyspepsia Cure

People once thought that the only way to cure indigestion was to stop eating. The trouble with such treatment is, that to stop eating is to stop living. Kodol Dyspepsia Cure has changed the whole method of treating this complaint. It contains all the natural digestive fluids and digests all you eat without aid from the stomach, so you can eat all the good food you want and be cured of your trouble at the same time. "I have been troubled with indigestion and dyspepsia for several years and often sat down to eat but had to give it up after eating only two bites. I used two bottles of Kodol Dyspepsia Cure and am, at last, all right to-day. Can now eat anything I want. W. L. Easton, Audubon, Iowa."
